

# OUR CHILDREN NEED US TO BE PART OF THE APRIL UPRISING

**SATURDAY 9TH – SUNDAY 17TH APRIL**

Millions of people have woken up to the environmental crisis and are looking for a framework in which to make sense of what is happening.

At Christian Climate Action, we believe that the Church has something prophetic and powerful to say about the destruction of God's creation and are encouraging churches to step up to fill this need.

Christian Climate Action will be joining Extinction Rebellion in speaking out on the streets of London. We are calling for an end to the fossil fuel era, which is destroying our future.

This year is all about growing in numbers and so there will be thousands of new people making a stand this April. You can be one of them - with your feet on the ground and your chin held high.
