

FESTIVAL OF RESISTANCE FAITH HUB

Run by Christian Climate Action

With the publication of Laudato Si and creation care being a key issue of Lambeth Conference, it is clear that Christians recognise protecting God's creation as key to our faith.

This September we want to give everyone the opportunity to get involved in the Christian climate movement, so in conjunction with Extinction Rebellion, we are holding a Faith Hub as part of a Festival of Resistance. Instead of protesting we are gathering to get to know each other and be encouraged in our faith.

This is perfect for Christians who are new to understanding the climate crisis. So bring your Church to drop by, and stay for as long as you like.

10th – 12th September: The Festival of Resistance takes place in Hyde Park across 3 days. CCA is holding a welcoming and creative Christian space, where we can explore the climate crisis together. Come and listen to great talks and music – bring people from your Church!

From the 13th September: After 3 days in London, the festival will go on the move around the country. Together we will travel the length and breadth of the country, visiting local towns and celebrating the great things people are doing to protect God's creation.
